Chennai 600 125, Tamilnadu, INDIA

ABOUT THE COLLEGE

Our 18th Pontiff Sri-La-Sri- Guru Maha Sannithanam established the first college educational facility in Mailam for the sake of backward and rurally margined students. The College was started in the year 1938 by the name "Mailam Tamil Kalluri" which is now even popularly known as old, best and traditional college in Tamil Nadu and Our 19th Pontiff Sri-La- Sri Sivagnana Balaya Swamigal is a distinguished Alumni of our college, Under his guidance the PG Course in Tamil is Started in 2002.

With the blessing and effects of our Chairman 20th Pontiff the college name is changed as Srimath Sivagnana Balaya Swamigal Tamil, Arts and Science College in 2007-2008. The college offers UG, PG, M.Phil and Ph.D Programmes in various disciplines, were started and running successfully. Recently our college is accredited by NAAC.

Our Swami ji's Motto;

"His vision is Education for living &
Education for life".

ABOUT THE LIBRARY

SSBSTAS College Library was started in the year 1938. The library is automated. The collections of the Library include Books, Periodicals, Dissertations, Projects, Manuscripts, and e-journals. The library has 20000 Books, 5000 e-books and Periodicals on Tamil Language and Literature. It has also a good collection on Commerce, Computer Science, English, Physics, Mathematics, and General Studies. The library has been automated and provides automated circulation system and OPAC. The Library provides access to N-List and also many E-Resources. Audio Video facility is also provided in the library. The library also holds a rare collection of Tamil books which has been a valuable and prominent source for the Scholar from various part of the world.

ABOUT SALIS

SALIS (Society for the Advancement of Library and Information Science) is a registered national professional body, actively involved in the development of all spheres of Library and Information Science (LIS) by organizing various programmes such as conferences, seminars, workshops and training Programmes on emerging topics throughout the year in various parts of the country through its chapters located in many places. SALIS publishes national and international journals, proceedings and newsletter for the exchange of information and knowledge among LIS professionals. SALIS instituted many awards to encourage and motivate LIS professionals. One of the objectives of SALIS is to train the LIS professionals in the country to handle the latest IT tools and techniques more effectively and efficiently and also to understand and adopt the best practice in order to high-quality library service to the users.

ABOUT THE SEMINAR

Researchers publish their research findings mainly in the forms of scientific articles/papers in scientific and technical journals and also some time in books. Scientific papers are considered as one of the important indicators or metrics to measure the research Performance/output of an individual researcher/institution and also the country. This indicator is directly linked to the career of an individual researcher and also recognition of an institution for getting funds for research, etc. There are several tasks involved in the process of publication such as contents of the research paper, selection of refereed journals for publication, referencing styles, how to cite references, publication ethics and plagiarism. The authors /researchers should know: what is Impact Factor (IF), H-index, Citation databases and also book

Publishing process to write books based on the research work. This one-day national seminar provides a platform to the participants to discuss all the above issues.

OBJECTIVES OF THE SEMINAR

- ❖ To understand the publishing process in the peer-refereed journals.
- ❖ To motivate the faculty and students to publish their research work in the reputed journals.
- ❖ To understand the process involved in publishing books based on research work.
- ❖ To discuss what is IF, Citation analysis and Citation databases.
- ❖ To discuss the issues related to plagiarism and copyright.

TARGET AUDIENCE

This Seminar will benefit Academicians, Faculty, Research scholars and library professionals in all Arts, Science, Management and Technical Institutions.
